LYELL DEER FARM NEWS:

For those of you who are not aware **The Lyell Deer Farm is for Sale**

Des and Maureen are retiring after 30 years spent developing their property from Virgin Bush to the now popular Tourist destination where visitors come to enjoy the peaceful surroundings with the ambience of quiet deer away from the hustle and bustle of everyday life.

This is a once in a lifetime opportunity for an energetic and creative couple to continue to build and expand the facility in a unique position of a rural setting so close to Brisbane and the Sunshine Coast.

Ideally suited to be developed as 'A HEALING RELAXATION CENTRE.'

Access: Sealed road with 25metre cul-de-sac for easy Coach turnaround. 7 meter wide level crossing to large parking area.

Ph. Maureen 07 3289 4270 or info@lyelldeerfarm.com for more information if you are interested.

Des and I will still be here, we are not going anywhere!!! The farm is on a separate title to our home, we are looking forward to retiring and being able to devote our time and energies to the further development of 'Kupidabin Wilderness.'
