

WAY OF THE HOLLOW BONE

DRUM HEALING WORKSHOP

**LYELL DEER FARM JUNE 20th & 21st
Mt.Samson**

We invite you to join with us, to come and sit, to come and listen, to witness and learn. This means to come with no preconceptions, that you come 'empty' in order to be totally present and with deep respect for what is being shared. Come and share in a day of healing, ritual and ceremony with James and Anne 'Three Bears.' Moncur.

The Way of the Hollow Bone is about learning to clear away all the limitations we impose on ourselves to enable us to follow Spirit's gentle guidance as a true hollow bone.
